WalMart

Stocker July 29, 2026 - Current Manager: Jessie Trevino
3130 Lawrence Rd, Wichita Falls, TX 76308

Unloaded and sorted freight. Once the truck is unloaded the freight is taken to the sales floor and stocked. Any freight that doesn't fit on the shelf is either top-stocked or marked with a backroom label. Occasionally, customers will need help finding items or need something retrieved from the top shelf or the back room. At the end of the night whatever is marked with a backroom label is taken and put in the proper place in the backroom.

Papa Johns

Driver April 6, 2026 - July 1, 2026 Manager: David DeGeorge
2922 Kemp Blvd, Wichita Falls, TX 76308

Assisted in the assembling, cutting, and boxing of pizzas. Put away stock from the trucks in the proper places in the walk-in and storage area. Checked-out pizzas and delivered them quickly, efficiently, and safely to the customer. Would occasionally call the customer for clarification of drop-off location, mostly for apartments with no number listed.

SideQuest

Quality Assurance Engineer August 2, 2023 - March 30, 2026 Manager: Bryan Strobehn
600 N Broad Street, Suite 5 #3665, Middletown, DE 19709

Managed and created a new test suite for full coverage across four products. Did smoke and exploratory testing on multiple environments before releasing to production. After release, I would inspect the production environment for any failures. Made a webpage for more efficient testing of our game. Ran VR events for a community of people to engage users as part of the social team.
